

### **Beginner's level**

3 sessions x 3 hour class

This is the class for absolute beginners in the world of quilting. We begin with a talk about what patchwork is and where it can lead us. We are going to work with hand stitching, machine stitching, measurement, rulers and cutting fabric. There will be a minimum of one new technique each session.

You decide for yourself if you want to work on a quilt of your own or you want to make samples – we talk about that the first day we meet.

Because this is a beginner's class there will be some theory each session, and there will be a possibility to ask the questions you want to find an answer to – perhaps for one of your dream projects!

Price: Dkr. 630,- that should be paid when signing up.

### **Quilting Curves**

5 sessions x 3 hour class

In this class we work with the technique Quilting Curves – a technique where you work on the front of the fabrics. This gives a better view on the effect of color choice or patterns in the fabrics. In addition it is the easiest way to work with the curved shapes.

This class runs for 5 sessions, and you pay Dkr. 210,- for each session. You don't have to sign up for all 5 times, but as there are a limited number of students in class, it will be first come, first accepted for student sign up.

If you sign up for all 5 sessions at once, you'll receive the discounted rate of Dkr. 180,- per session for a total of Dkr. 900,- AND you will be guaranteed a seat for all 5 sessions.

### **Openings**

4 hour class

In this class we will dig deeper into how to make openings in your quilts with or without something behind the opening. The technique can be used together with other techniques to create quilts. You will be shown different ways to create openings.

Price: Dkr. 280,- that should be paid when signing up.

### **Folds and pleats**

3 hour class

Do you want to make 3-D quilts in an easy and simple way? Then this is the class for you. By manipulation of the fabrics you can achieve very beautiful 3-D results. The technique can be used together with other more traditional techniques.

Price: Dkr. 210,- that should be paid when signing up.

### **Tubes and spaghetti straps**

3 hour class

Yet another class for 3-D interested students who want to work differently with 3-D. Tubes in different sizes make a quilt unique and add 3-D effects and texture. The tubes can be used in different ways and that is what this class is all about.

Price: Dkr. 210,- that should be paid when signing up..

### **Foil, Angelina and what you can do with them**

3 hour class

Here we play with Foil and Angelina (a synthetic material that can be ironed together). There will be plenty of possibilities to work with both materials – perhaps on a quilt you want to add some sparkle! We will be working with different kinds of glue products and we are using the products in a new and different way. This is the play class!

Price: Dkr. 210,- that should be paid when signing up..

### **Felting**

**For this class you need to bring a felting machine or a Bernina with felting apparatus.**

**I have one machine for loan.**

3 hour class

Now you have the opportunity to let your imagination work and you can play to your heart's desire. We work on smaller-sized pieces of artwork (postcard size). We will felt with wool, cotton, different kinds of sheers, threads and chiffon. When the felting is done you can embellish with beads and fancy stitches.

Price: Dkr. 210,- that should be paid when signing up.

### **Funny stuff**

3 hour class

More playing! In this class we work on cellophane and how to paint and manipulate it into sea foam! See how to use puff paint and how you can place those materials on or into a quilt.

Puff paint can be bought in appropriate amounts for this class.

Price: Dkr. 210,- that should be paid when signing up.

### **Christmas class**

3 x 3 hour class

This Christmas class is a mix of different techniques taught in some of the other classes. Here we mix techniques together so they can be used for Christmas ornaments in a new and different way. Most of the projects we produce will be different kinds of hangings but I will also show ideas for table decorations.

Price: Dkr. 630,- that should be paid when signing up.

### **Embroidery on sheer fabrics**

3 hour class

In this class I show how you can work with machine stitchery on Organza and tulle. There will be plenty of time to try the different ideas that will be shown in the class. We talk about how to use those effects and how they can be put on or into a quilt.

Price: Dkr. 210,- that should be paid when signing up.

### **Sew a yarn purse**

2 sessions x 3 hour class

Take all the different leftovers of yarns you have (or can find) and sew a purse with them! In this class we play with different yarns and effects. The yarns will be sewn together so they become a base fabric that we use to make a purse. The purse can become a fancy evening bag/ballroom purse or a nice everyday handbag depending on the type of yarn and stitches used.

Price: Dkr. 420,- that should be paid when signing up.

### **Make unique jewelry 1, earrings and necklace**

4 hour class

Now we really need our sewing machine! It is our tool to create fabulous threadwork as a base for our jewelry. We go through the sewing machine basics – such as which stitches to use and thread tension. We talk about which threads to use and how to sew. Last part of the class is about how to make the threadwork into jewelry!

Price: Dkr. 280,- that should be paid when signing up.

### **Make unique jewelry 2, brooch**

4 hour class

Again we use the sewing machine to make beautiful jewelry! In this class we talk of making a brooch that can be in different shapes and with different threads. We go through this special technique and the class ends up with a talk about embellishment and fastening of hooks. This technique is different than class #1 earrings and necklace!

Price: Dkr. 280,- that should be paid when signing up.

### **Machine quilting**

3 hour class

This is a beginner's class of machine quilting. We begin the class by going through the sewing machines and preparing them for free-motion quilting. There will be a talk about threads and how to sew with the different kinds available on the Danish market. We will also talk about needles and batting. Designs are very important and we will discuss the decisions you may have to make when you work on a quilt. There will be plenty of time to practice different patterns and on different kinds of batting.

Price: Dkr. 210,- that should be paid when signing up.

### **Bobbinwork**

3 hour class

Again the sewing machine is the focus for this class. This time we are topsy-turvy and sew from the back of the fabric/quilt! This technique has more advantages than disadvantages and it will be the advantages we will dig deeper into in this class. We will sew with many different threads--especially the types of threads we normally avoid using because they are difficult to use as top threads.

Price: Dkr. 210,- that should be paid when signing up.

**Terms:**

In most classes there will be 4 students – in a few there will be 6. This will allow a lot of time for each student and thereby also a lot of time to ask questions.

All classes can be taken separately. You can contact me either by e-mail [lone@lonesdesign.dk](mailto:lone@lonesdesign.dk) or by phone +45 4074 2092. When I receive your payment your place/seat in class will be guaranteed.

If you sign up for 5 classes or more at the same time you will get a discount for 10% on the class price.

If you are signed up for a class and you have to cancel due to sickness, you can make arrangements to take another class. The amount you have paid will only be paid back to you if the class is canceled.

You can sign up by sending me an e-mail with your name, snail address, emailing address and which class/date you want to take.

**Materials**

Some of the more unusual or difficult to obtain materials will be available in the class. In that case there will be a fee that can vary due to amount used. Please call me if you need any information about this.

You are always more than welcome to bring your own materials and fabric.
